### KILLINGLY HIGH SCHOOL

Killingly, CT

[killinglyschools.org/Domain/52](http://killinglyschools.org/Domain/52)

Located in “The Quiet Corner” of Connecticut (the northeast corner), KHS is in a beautiful rural location that also has access to major cities like Boston, MA (an hour and a half away), Providence, Rhode Island (45 minutes away), Hartford, Connecticut (45 minutes away), and Worcester, MA (45 minutes away). The school’s building was completed in 2010 and is very modern. Students here have access to an incredible range of sports teams and extracurricular opportunities, as well as 10 AP courses. Average SAT scores of current students are 472 Math, 515 Critical Reading, and 501 Writing. Killingly High School is a great choice for students who want access to both rural and city living, and want a true American experience!
