## MARIAN HIGH SCHOOL

Framingham, MA

[marianhigh.org](http://marianhigh.org)

Marian is a dynamic institution, committed to the social teachings of the Church, in which the unique needs of each student are nurtured by a compassionate and dedicated faculty and staff. The diversity of our Marian High community reflects the Metro-West Area and provides a rich environment in which young people deepen their faith life, hold learning in high esteem, and come to recognize and advance their potential through a variety of learning opportunities and activities. Most importantly, our rigorous, mission-driven curricular and co-curricular programs challenge students to think critically, to be resolute in service to others, and to realize their strengths. These are the hallmarks of a Marian education, and the core of our Sisters of Saint Joseph spirit.
