Select the Path

When you log into Unleesh for the first time, you will go straight to the CIEE Work and Travel USA Orientation Path. Click on the Path name and the card will expand. Begin with the first Step and complete the Activities at the bottom. Once an Activity is complete, in the top right corner, click next step to continue through the orientation. How do I use Unleash to Complete Steps?

Unleash is made up of Paths, Sections, Steps and Activities. Each items is listed out below:

- 1) Path: This is the group you are connected to. For example, CIEE Work & Travel USA Orientation is the name of a Path.
- 2) Section: This is how the main parts of the Path are broken
- 3) Steps: Sections are further broken in to Steps. Steps provide the details for you to review and work through.
- 4) Activities: This is a part of each Step and is where you earn your points. Follow the prompts to complete Activities before moving onto the next Step.
- 5) When you have completed an activity the arrow next to the step will turn into a checkmark which shows completion.
- 6) When you have completed 50 points, all Steps have been checked off and you're done!

Important Note:

Access to Unleash and the CIEE Work & Travel Orientation Path will be available to you throughout your program should you need to access it.
